## HONORING OUR VETERANS *At the Museum*

The Granite Falls History and Transportation Museum featured an exhibit of military memorabilia during the month of November and on Sunday, December 4th. The History Committee welcomed the public and served refreshments from 2 until 4 p.m. on November 6th, November 20th, and December 4th. The museum was closed on November 13th and 27th in observation of Veterans Day and Thanksgiving Day.

## HISTORY IN THE MAKING *COVID-19: No Longer Front Page News*

Once a major headline, COVID-19 news gradually faded to the background. Although Governor Roy Cooper ended the State of Emergency in North Carolina on August 15, 2022, Xavier Becerra, the U. S. Secretary of Health and Human Services, kept in place the national State of Emergency, which Alex M. Azar II first established on January 31, 2020. The declaration lasts ninety days, so the current order signed on October 13, 2022 expires mid January 2023, unless it is renewed. Keeping the orders active provides some flexibility in administering programs and services.

Local News: Although people continued to catch COVID-19, the Center for Disease Control (CDC) showed Caldwell County remaining in the low risk category on November 3rd, 10th, 17th, and 24th.

## HISTORY IN THE MAKING *NCSH Award of Excellence*

Linda Crowder (above left), co-chair of the Granite Falls History Committee and President of the Granite Falls Historical Association, recently received the Award of Excellence for historical preservation from the North Carolina Society of Historians. She was unable to attend the awards banquet on November 5th so NCSH Secretary Gretchen Griffith, (above right) presented her the award at the museum on November 19th.
